This screenshot shows the Canvas registration form. It features the Canvas logo at the top. The main heading is 'Welcome Aboard!'. Below this, a message states: 'In order to finish signing you up for the course AWS Academy Data Analytics [15571], we'll need a little more information.' The form includes three input fields: 'Login:' with the value 'wyj10@ulive.pccu.edu.tw', 'Password:', and 'Time Zone:' with a dropdown menu currently showing 'UTC (+00:00)'. Below these fields are two checkboxes. The first checkbox is accompanied by text: 'Yes, I'd like Canvas to provide my contact information to Amazon Web Services(AWS) so AWS can share the latest news about AWS services and related offerings with me by email, post or telephone. You may unsubscribe from receiving AWS news and offers from at any time by following the instructions in the communications received. AWS handles your information as described in the AWS Privacy Notice. Providing Canvas with your information may involve transferring it to another country. For questions about how Canvas will handle your information, please contact Canvas directly or refer to its privacy policy.' The second checkbox is accompanied by text: 'I agree to the Canvas Instructure Acceptable Use Policy and to the AWS Learner Terms and Conditions The information you provide will be handled by AWS as described in the AWS Privacy Notice.' At the bottom of the form is an orange 'Register' button.
